Revelation and other New Testament Books
HOW TO USE THIS BOOKLET

This booklet teaches you an overview of the entire Bible (both Old and New Testaments). In addition to learning the major stories, people, and times of the Bible, you will also learn how to teach others, and most importantly, how to teach them to obey God’s Word.

The times of the Bible picture on the cover of this booklet shows the Bible divided into 6 major time periods: Beginnings, Deliverance, Kings and Prophets, Jesus Christ, the Church, and the End Time. In addition to reading the entire Old and New Testaments, you will also study 5 major stories from each time period in detail.

During the 6 meetings, we will study 2 of the 5 stories from each time period together. You will practice learning, teaching, and doing those two stories. During the first week after you return to your home, you will teach these 2 stories and the main and sub-points of each to other believers. You will also discuss with them how you can all obey and do what you learn. After that you will use the booklet to study the other 3 stories. You will study one story per week and then teach it in participative Bible Study format to other believers. Next time we meet, we will check to make sure that you have studied and completed all 5 of the stories for that Bible time.

In addition, you will read 2 chapters of the Old Testament and 1 chapter of the New Testament every day using the Bible reading plan at the end of this booklet. Using this reading plan, you will read the entire Bible through in 1 year.

Our prayer for you during this Bible class is that you will learn from the Holy Spirit, teach others what you learn, and together obey what the Lord has taught you. May God bless you!
